

IN THE UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF CALIFORNIA

PATRICIA DESANTIS, et al.,

Plaintiffs,

No. C 07-03386 JSW

v.

CITY OF SANTA ROSA, et al.,

Defendants.

**ORDER REQUIRING FURTHER
BRIEFING ON DEFENDANTS'
MOTION FOR JUDGMENT AS A
MATTER OF LAW AND
CONTINUING HEARING**

Now before the Court is the motion for judgment as a matter of law filed by Defendants. Despite the fact that all the transcript of the trial is now available, Plaintiff fail to cite to any portions of the transcript in their opposition to Defendants' motion. Therefore, Plaintiffs' opposition is woefully inadequate. However, in the interests of justice, the Court is providing Plaintiffs with one more opportunity to oppose the motion. Plaintiffs shall file an amended opposition brief by no later than January 11, 2013. In their amended opposition, Plaintiffs shall take care to cite to the specific portions of the transcript in support of their arguments. Plaintiffs are admonished that if Plaintiffs summarize or characterize the evidence without providing the supporting cites, the Court will not consider such unsupported statements.
